## **Rivers Edge celebrating**

The Arnold Palmer-designed Rivers Edge Golf Club is celebrating both its 10th anniversary and a grand reopening from renovations on Tuesday.

The Shallotte, N.C., course reopened to the public on Aug. 1 after renovations that included the transition of its greens to the salt-tolerant SeaDwarf Paspalum grass, and is hosting a special-invitation tournament Tuesday for package providers and area golf dignitaries.

"It's kind of a big deal for us to highlight the new greens," said Signature Golf executive Scott Taylor.
